## Welcome Back!

Hope you all had a safe and happy holidays.

I want to say thank you to all the students and parents who gave Christmas gifts to myself, and other instructors. We appreciated it and wanted to say Thank you!

## Friends or Family

We are currently enrolling students for cheer, tumbling, hip hop (adding another class), and preschool through 2nd graders. If you know anyone, refer them and get their first month's tuition.

## Another Hip Hop Class Offered!

HIP HOP-Due to popular demand we will be adding another hip hop class on Jan. 19th. Scott will splitting the 6:30 class into two classes. One at 5:30 and the other to remain at 6:30. This will not only give more personal attention and more manageable classes but allow us to expand these great classes to more students.

**\*\*Any current students that want to add classes must let Heather know to add to your schedule.**

**Please check the website under calendar for all the other Class requirements to make sure you have everything.**

**Very Important**– if you did not get a copy of the note given out the week of Dec 13th, please pick up in studio and read through in regards to reading newsletters and adhering to rules of studio.

## Heads up regarding COSTUMING!

Unfortunately our costume lady, Vicki is retiring from making all of our dancewear and costumes after she finishes our few remaining lyrical costumes. What this means for the studio is that more than likely we will be forced to change costumes annually, and buy all dancewear from catalogs which will make the prices increase. I will do my best to find the most reasonable pricing for all these items, but please be prepared to pay more for costumes. We have been extremely lucky to have Vicki, her prices were considerably lower than other seamstresses and catalogs. Our costumes have been about \$35-40, and most of the catalogs run about \$40-70 per costume.

**Amber Trapp
